

Date: Friday 25 - Monday 28 June, 2026

Venue: I.M. Panagiotopoulos School (Milisi 3, Pallini, 153 51)

Registration deadline: Thursday 11 June, 2026

Registration fee: 220 EUR

The Athens Debate Summer Camp is open to students aged 12-18, with dedicated streams for beginners, intermediate and advanced students in debate.

The camp offers three days of intensive coaching and practice debates, tailored to the level of each group, using primarily the World Schools debate format. On the final day, students participate in a one-day tournament.

All our coaches have extensive domestic and international experience as debaters, coaches and judges in schools and universities debating.

The registration fee covers all participation costs for the coaching and the tournament, as well as hot meals every day, and transport to and from the venue from key pick up points around Athens.

Registration is now open on [this link](#), and will close on Thursday 11th June.
